

FIELD/ ROW CROPS - BROADCAST

General Information

PRODUCT INFORMATION

Converted Organics™ 2-2-2 is marketed as a natural fertilizer whose nutrients are derived from grain fermentation solubles and fish. Converted Organics™ 2-2-2 has been formulated to provide the grower with a high quality, fully pasteurized liquid fertilizer suitable for use on a variety of crops. Converted Organics™ 2-2-2 is recommended for use on both organic and conventional agricultural soils.

WARRANTY

Converted Organics of California, LLC makes no warranty or condition, express, implied or statutory, whatsoever, with respect to the product's condition, performance or its adequacy for the Purchaser's purpose or uses, which extend beyond the use of the product under normal conditions in accordance with the statements made on this label.

Limitations, Restrictions, and Exceptions

Converted Organics™ 2-2-2 is compatible with most types of micro and sprinkler irrigation systems. Agitate prior to treatment. After treatment, flush irrigation lines to prevent the possibility of clogging.
