

TREE/ VINE CROPS - BROADCAST

General Information

PRODUCT INFORMATION

Converted Organics XP is marketed as a fertilizer whose nutrients are derived from hydrolyzed fish stabilized with phosphoric acid. Converted Organics XP has been specifically formulated to provide the grower with a high quality, liquid fertilizer suitable for use on a variety of crops. Converted Organics XP is recommended for use on both organic and conventional agricultural soils.

WARRANTY

Converted Organics Inc. makes no warranty or condition, express, implied or statutory, whatsoever, with respect to the product's condition, performance or its adequacy for the Purchaser's purpose or uses, which extend beyond the use of the product under normal conditions in accordance with the statements made on the label.

Limitations, Restrictions, and Exceptions

After treatment, flush irrigation lines to prevent the possibility of clogging.
