

FIELD CROPS - RICE

General Information

GENERAL INFORMATION

CHALLENGE is designed to be used primarily for foliar application and for use on turf crops. It may be used as a starter fertilizer with seed or transplants. It may also be soil applied. CHALLENGE is intended to be a supplement to a regular fertilizer program. Rates on the label are for foliar application. May be applied by ground or air.

Limitations, Restrictions, and Exceptions

Rice: Apply at boot stage and 1-2 weeks prior to bloom. Repeat again 2 weeks after bloom.
