

# INSECTICIDES

## General Information

### GENERAL INFORMATION

EXTEND-97 is an improved spreader-sticker for use with insecticides, fungicides, acaricides and pesticides, wettable spray powders and sun protectant sprays. It is a complex adjuvant designed to improve coverage deposit and retention. EXTEND-97 improves the weatherability of spray deposits. It reduces losses due to light rain, dews and fog.

### DIRECTIONS FOR USE

This product may be used in dilute or concentrate sprays.

### Limitations, Restrictions, and Exceptions

Lower rates should be used in high volume sprays.
