

WETTABLE SPRAY POWDERS

General Information

GENERAL INFORMATION

EXTEND-97 is an improved spreader-sticker for use with insecticides, fungicides, acaricides and pesticides, wettable spray powders and sun protectant sprays. It is a complex adjuvant designed to improve coverage deposit and retention. EXTEND-97 improves the weatherability of spray deposits. It reduces losses due to light rain, dews and fog.

DIRECTIONS FOR USE

This product may be used in dilute or concentrate sprays.

Limitations, Restrictions, and Exceptions

Lower rates should be used in high volume sprays.
