

# **VEGETABLE AND ROW CROPS, DECIDUOUS FRUIT AND NUT TREES, CITRUS, ETC.**

## General Information

### GENERAL INFORMATION: MONTEREY

KNOCK-OUT is a water soluble plant food containing two primary plant nutrients and is designed to correct potassium deficiencies. This plant food/nutrient is designed for dissolving in water and applied through fertilizing equipment or injected into irrigation systems.

This product has a low salt index, so it is ideal for use as a starter or sidedress fertilizer applied directly to the soil. MONTEREY KNOCK-OUT will quickly boost plant growth during critical or high growth periods.

MONTEREY KNOCK-OUT is recommended for use on, but not limited to, vegetable and row crops, deciduous fruit and nut trees, citrus, avocados, vine and berry crops, ornamentals, turf, pasture, range grasses and most other crops.

## Limitations, Restrictions, and Exceptions

APPLICATION RATES: Dissolve 5-30 pounds in sufficient water to treat one acre. DO NOT exceed 1 lb. MONTEREY KNOCK-OUT per gallon of finish spray. Repeat as needed.
