

# SOIL APPLICATION

## General Information

### DESCRIPTION

NRG'S NATURE'S SOLUTION is a biologically composted, liquid mineral complex to supplement and enhance your soil fertility program. Liquid microbial food that stimulates rooting, increases plant vigor, and enhances microbial activity and diversity in the soil. May be tank mixed with fertilizer or injected into irrigation water.

### Limitations, Restrictions, and Exceptions

SOIL: Use 5 to 20 gallons per application beginning at planting or root flush in the spring. For best results, add NRG'S NATURE'S SOLUTION into a program including ACTIVATE products.
